To whom it may concern

CHARITY WASTE DISPOSAL – PERMIT SCHEME
Longshot Lane, Bracknell
Smallmead, Island Road, Reading

A new permit scheme for the disposal of Charity Waste at the re3 waste sites will start on 1st February, 2010. To continue to receive a free of charge disposal service you must pre-register your charity by completing a Charity Waste Disposal application form. Once the form has been checked we will issue permits to use at the waste sites when you deposit your waste.

After the 1st February you will not be able to dispose of your waste free of charge without a permit.

To qualify for free disposal you must:

1. be a registered charity based in at least one of the three Council areas and
2. meet the following criteria set out in the 'Controlled Waste Regulations 1992 Schedule 1':
 - The waste must come from premises occupied by a charity and be wholly or mainly used for charitable purposes.

If you meet the above criteria you will qualify for free disposal of your charity waste and permits will be issued for use at the following waste sites:

Longshot Lane, Bracknell RG12 1RL
Smallmead, Island Road, Reading RG2 0RP

Please complete the attached application form if you wish to apply for free charity waste disposal.

If you have not applied to be registered or you do not have a permit you can still dispose of your waste after the 1st February but you will have to pay the normal trade waste charges at the weighbridge.

Yours sincerely

The re3 Waste Partnership
Bracknell Forest Borough Council
Reading Borough Council
Wokingham Borough Council
Waste Recycling Group.
