

 recycle now

welcome

to Longshot Lane
Household Waste
Recycling Centre

Please use this leaflet to help plan your trip. It's important to consider the order of your waste when packing your car, as this will help make your trip easier, faster and safer.

re3

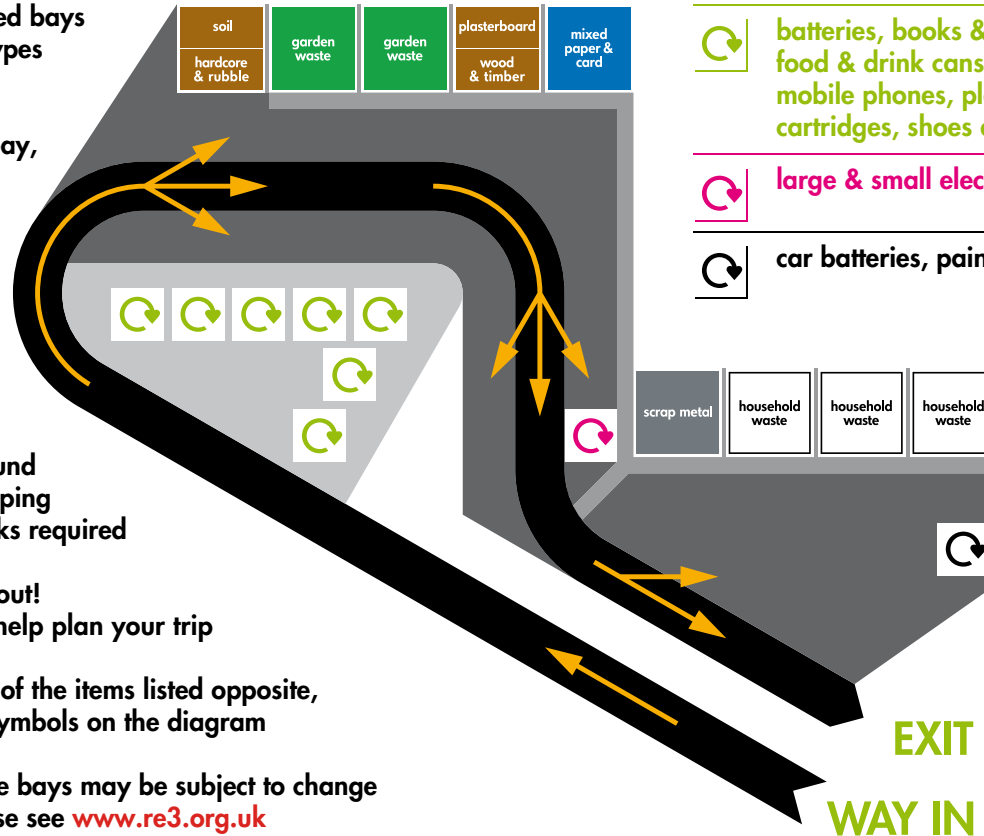

zeroing in on waste

Here's how it works...

- Inside you will find marked bays and banks for different types of waste
- Park at the appropriate bay, apply your handbrake, take out of gear and switch off your engine
- Deposit your waste into the correct bay or bank
- Return to your vehicle and continue driving around the one way system, stopping at any other bays or banks required
- Remember – last in, first out!
Please use this leaflet to help plan your trip
- You can also recycle any of the items listed opposite, please see the coloured symbols on the diagram

Please note: the order of the bays may be subject to change
For more information, please see www.re3.org.uk

batteries, books & music, cartons, foil, food & drink cans, glass, light bulbs, mobile phones, plastic bottles, printer cartridges, shoes and textiles

large & small electrical appliances

car batteries, paint, used engine oil

- 5 Drive slowly
- One way only
